

## ABOUT PREMIUM MATERIALS AND RESOURCES

Established in 2021, Premium Materials and Resources (PMR) is a trusted supplier of medical devices, healthcare supplies, and maintenance, repair, and operations (MRO) products for federal, state, and local agencies. With 20+ years of supply chain expertise and strong OEM partnerships, we provide strategic sourcing, seamless fulfillment, and compliance-focused procurement solutions. Whether supporting a VA medical center or a military installation, PMR ensures quality products are delivered on time and in full compliance with federal regulations.
